Short presentation of your organization (key activities, experience)	<p>The Oczami Brata foundation, was registered on January 16, 2014 in Częstochowa. It has the status of a public benefit organization. So far, in accordance with the statutory goals of the organization, we have opened, among others, Specialist-caring daytime support centre, "Alternatywa 21" club cafe, nine socio-occupational workshops and three assisted-training apartments. We also animate local, environmental, self-help and volunteering partnerships.</p> <p>We implement a proprietary program of independence for people with intellectual disabilities and mental disorders, including support of personal assistants of disabled people and activity trainers. Recently, the Foundation's activities were submitted to the prestigious European award "innovations in politics" organized by the Institute of Innovation in Vienna for a number of activities for the disabled in Częstochowa – Poland.</p>
Description of the project	
Action, Measure in the framework of „Europe for Citizens” Programme	In the framework of “Europe for Citizen” programme planned action are workshop, training, conference, debate and a social campaign in the subject of discrimination people with partners.
Timetable of the project	01.03.2020 – 01.10.2020
Short description of the project, including its aims	The Europe for Everyone project is a series of conferences / debates on contemporary European issues and a series of trainings for local communities. The topics that we want to deal with during the project are:

	<ol style="list-style-type: none"> 1. Hate Stop! - It is how to prevent hate speech on the web. 2. Discrimination of disabled people in everyday functioning 3. Immigration - how to act for integration in the European Union countries and how to act on these phenomena <p>Three different conferences and workshops for local communities will be organized in three different countries / partner organizations participating in the project.</p>
<p>Role of the partner organization in the project</p>	<p>The role of partners in the organization of the project: Each organization / partner / participant of the project has the opportunity to choose one topic / problem that was included in the project, that is:</p> <ol style="list-style-type: none"> 1. Hate Stop! - It is how to prevent hate speech on the web. 2. Discrimination of disabled people in everyday functioning 3. Immigration - how to act for integration in the European Union countries and how to act on these phenomena <p>In terms of the chosen topic, we want each partner to organize a conference / debate, two workshops for local communities and the finale (conference + workshops for the local community) There will be the organization of a community social campaign (all within one selected topic / problem)</p>
