

Dear Sir/Madam,

It is becoming more and more important nowadays to promote friendship and cultural awareness across Europe and for this reason we, the town of **Korntal-Münchingen** in Germany, would like to take this opportunity to engage in the search for a new partnership with one of our fellow towns in Europe.

We are writing to you to enquire if you would be interested in joining us in becoming a twin town with **Korntal-Münchingen**. We would be very interested in twinning with a town which uses English as an official language.

First of all we would like to tell you more about ourselves:

Korntal-Münchingen is located in the delightful Strogäu countryside between Stuttgart and Ludwigsburg in the state of Baden Württemberg in Germany. The present town was founded on January 1st 1975, in the course of district reform in Baden Württemberg, when the town of Korntal and the community of Münchingen were merged into **Korntal-Münchingen**, combining urban flair with village-like charm. Although a small town in its own right, Korntal-Münchingen benefits from its good transport links and is very close to the state capital Stuttgart. At present **Korntal-Münchingen** has a population of approximately 19,000.

Korntal-Münchingen has been twinned with both Mirande in France/Gers and Tubize in Belgium/Walloon Brabant since 1964 and in 2014 we were extremely proud to celebrate our 50th jubilee together.

If we have attracted your attention and you are interested in twinning with **Korntal-Münchingen**, we would be very grateful if you would contact us (see contact information below). You can also discover more about our town by looking us up on our website www.korntal-muenchingen.de. Also, take a glance through our town brochure which we have attached for your attention.

Looking forward to hearing from you.

Yours sincerely
